About our Products

The crockery that we are featuring is Churchill Chateau Blanc, an elegant yet hardwearing white china with an embossed relief pattern from their fine dining range. Another option is Churchill X

Squared, contemporary square shaped plates to mix and match with other items from our range.

The most recent addition is Churchill Alchemy Fine China, a premium collection with the professional restaurateur in mind, for functionality combined with inspirational food presentation.

The cutlery is 18/0 grade stainless steel Kings pattern, a timeless design that complements any table setting, or a more modern approach is provided by our high grade 18/10 Windsor pattern.

Our glasses will all arrive spotless and shining and are individually inspected for chips and cracks prior to each hiring. Our classic range is complemented by Riedel Crystal glasses with thinner stronger glass for the ultimate fine dining experience.

The linen will be crisp and freshly pressed, the full range of sizes are available in white, a smaller selection in a range of colours.

Our aim is to make that special occasion as enjoyable and relaxed as possible. We are always available to discuss your special requirements.
